

Drawings

The amendments proposed by applicants to the drawing Figures 3, 15, 16, and 17 filed on 4/19/2004 have been approved by the Examiner. Corrected drawings are submitted herewith.

The corrections consist of the addition to Figures 3, 15, 16, and 17 of the meaning of the acronyms which appear in these respective figures.

SUMMARY AND CONCLUSION

Applicants urge that the above amendments be entered and the case passed to issue with claims 1-16.

The Application is believed to be in condition for allowance and such action by the Examiner is urged. Should differences remain, however, which do not place one/more of the remaining claims in condition for allowance, the Examiner is requested to phone the undersigned at the number provided below for the purpose of providing constructive

assistance and suggestions in accordance with M.P.E.P. Sections 707.02(j) and 707.03 in order that allowable claims can be presented, thereby placing the Application in condition for allowance without further proceedings being necessary.

Sincerely,
